Australian

Australian owned and manufactured in Australia

Custom Designed for your home

Freedom Eco 15 is custom made and available in styles that match every window in today's homes.

A stylish enhancement for your home.

Beautiful & built to last

Warm Feel

Freedom Eco 15 WoodTex™ finish captures the look and feel of wood shutters. Unique rear tilt control system gives you wide open and clean views.

Resists dents and scratches; will not warp, chip, shrink, crack, fade or peel; and its fire retardant and moisture resistant.

Poly resin construction is easy to clean with mild detergent. Provides superb insulation and temperature control.
