

# ROLLER SHUTTERS

One of the main benefits of Roller Shutters is that they provide security to your home from intruders. Roller Shutters also offer you and your family privacy during both day and night.

Roller Shutters are great value for your money. Your energy bills are reduced all year round making this product an ideal investment for the future.

Roller Shutters have thermal insulation properties that reduce the effects of summer heat as well as retaining the warmth during the colder winter months.

University tests have proven that Roller Shutters have an overall effect in the reduction of noise levels from outside of the home.

Light and ventilation can be adjusted to create a pleasant, softly lit atmosphere. You control the extent by simply adjusting the shutter to suit your needs. Roller Shutters can be operated electrically, manually or with the Empire Drive System.
