

VENETIAN BLINDS

Venetian Blinds are decorative and a functional shading solution. They have exceptional ability to control light & privacy. Venetian Blinds are strong, durable, UV stabilised & suitable for wet areas due to it's non- absorbent characteristics. e.g. bathrooms & laundries.

The simple set of cords for tilting & lifting make them easy to operate. They are available in a wide range of alternative materials which include P.V.C based extruded material.

TIMBER VENETIAN

Hardwood Timber is extremely durable & stable for Venetian Blinds and are less likely to warp & dent. Their dense grains provide an excellent smooth surface for staining or painting. Not recommended for wet areas such as bathrooms & laundries - Timber products may absorb moisture if present.

ALUMINIUM

Light, durable & stable cost efficient window treatment. Also suitable for wet areas.

“ A huge benefit of Venetian Blinds is how low maintenance they are. All you have to do is wipe them over with a cloth occasionally or use a duster on them briefly. There's nothing else that you have to worry about! ”
