

# VERTICAL BLINDS

Vertical Blinds are considered to be very classy, elegant & sophisticated. They offer the best answer for patio doors & very large windows.

Vertical Blinds have the ability to rotate up to 180 degrees and are the ideal way of having complete control of the quantity of light which gets inside the house as well as your home privacy. Using a chain tilt and a cord draw, controlling the slats becomes easy ensuring that light enters just as you want it to.

To enhance the look and feel of your home, choose from our extensive range of fabric and colour options, and to compliment your blind add a fabric insert into your track.

Slat dimensions - 89 and 127mm - are available for you to choose from to suit your window.

“ Vertical Blinds offer the most inexpensive way of decorating your windows. If you wish to add class and glamour to the home décor without having to spend so much, Vertical Blinds are the best option as they provide greater convenience and versatility. ”
